*These criteria must be documented and/or present in the application packet or the applicant will be disqualified.

Brooks County Schools will make copies of this application and all supporting documents to distribute to members of the selection committee. The committee shall consist of the members of the Chambers Educational Scholarship Committee.

The completed application must be turned in to the guidance office by April 1st of the application year by 3:30 p.m.

The Scholarship Committee will determine the recipients based upon information in the documents and interview.

If this teacher becomes a recipient of a scholarship, monies will be disbursed upon receipt of proof of registration (College schedule) and invoice for the first term. Upon receipt of the previous term transcript showing the applicant earned a minimum 3.0 GPA, monies will be disbursed according to the invoice for the next term and the amount of funds remaining in the scholarship.

Submission of this application permits the teacher to be considered for a scholarship. A scholarship is not guaranteed. Meeting minimum requirements does not guarantee a scholarship. The Scholarship Committee will determine the recipients based upon information in the documentation and interview.
